

ISA TENNIS ACADEMY 2011-2012

The ISA Tennis Academy is now conveniently located **Morgan Run Resort, in Rancho Santa Fe, California.**

We offer daily, weekly, monthly and yearly training opportunities for the regionally and sectionally ranked tournament player as well as the intermediate, high school level and non-ranked tournament player. In conjunction with Morgan Run we offer tennis programs at the beginner, advanced beginner and novice levels.

ISA Full-time and Part-time Academy

Our full-time Academy runs from 9:30am-4:00pm Monday-Friday year round. Part-time Academy is available from 9:30-12pm and 1:30-4:00pm. Players may attend on a daily, weekly, monthly and/or school year basis, depending on availability. Participants will have the opportunity to train with and complete against ISA's Elite USTA/ITF ranked players. Players will also have the opportunity to travel to tournaments as part of the ISA Team. Competitive match play with highly ranked juniors is an important part of our daily schedule. We also provide individualized tournament planning and preparation in order to maximize USTA/ITF ranking points.

Skip Redondo Junior Tennis Academy

Skip Redondo in conjunction with the ISA Tennis Academy and the Morgan Run Club & Resort now offers an after school tennis program for competitive juniors ages 6-18. The Skip Redondo Academy has a very dynamic, high performance tennis program. We pride ourselves on our ability and commitment to offer an abundance of one-on-one coaching, and a low student-to-coach ratio. We understand that it takes more than just good technique to reach to the next level of your game, so we work on the whole player: technical, tactical, physical and psychological.

Staff

Our Owner/Director, Skip Redondo, has been coaching top ranked junior and professional players for more than 20 years and was the Men's Head Coach at San Diego State University. Our Assistant Director, Charlie Hardman, was the Men's & Women's Head Coach at Marist College and was twice selected as coach of the year by the North East Conference. Charlie has been trained as a mental toughness coach and footwork specialist and is a 20 year member of the USPTA and USPTR.

Typical Day

9:30-10am **dynamic stretching** and **warm up exercises**, 10am-12pm **group drills and match simulation** to complete the morning session. The afternoon session begins at 1:30pm and consists of **point and match play** for full participants and a repeat of the morning session for afternoon half day participants. From 3:30-4:00pm is our **conditioning and fitness** time. Daily lunches are included for our full day students, and are served on site.
