The Skip Redondo Academy has a very dynamic, high performance tennis program. We pride ourselves on our ability and commitment to offer an abundance of one-on-one coaching, and a low student-to-coach ratio. We understand that it takes more than just good technique to reach to the next level of your game, so we work on the whole player: **technique, strategy, attitude, and fitness.**

## Intermediate

This program is geared toward players just learning the game through high school and non-ranked tournament players. Participants will work on many areas of their game including stroke production, foot work, strategy, fitness and will have the opportunity to compete against our advanced players if their skills are up
